In compliance with The Calgary Board of Education ("CBE") Administration Regulation 6002, parents/legal guardians/Independent Students are responsible for providing medical supports and medication prescribed for the student by a physician or medical professional to ensure the student has the supports and medication required while at school or during off-site activities. The CBE, its teachers and staff will not administer the medication or supports but during school activities, shall store the medication and supports and supervise the student in self-medicating. The parent/legal guardian/Independent Student shall notify the Teacher of the nature of the medication and supports, the timing of self-medication and any procedures that apply to same.

If the student is registered in a CBE High School, the requirement of teacher/staff supervision of self-medication by the student and of storing medication may be waived by the parent/legal guardian/Independent Student by marking in the box below with an "X":

I do not wish the CBE, its teachers/staff to store the student's medication or supervise the self-medication by the student.

Please note that:

1. the provisions contained in this form are subject to the CBE's Administrative Regulation 6002, as amended from time to time (available for view on the CBE website) and applicable laws; and
2. the provisions contained in this form further are subject to the applicable school's Emergency Response Protocol and any particular Student Health Plan completed by the CBE with the parent/legal guardian/Independent Student.

Notwithstanding any of the foregoing, I agree that the medications (prescription/ non-prescription) listed on the first page of this form are the student's responsibility and the student is responsible for how the medication is stored and when it is taken. I, the parent, legal guardian or Independent Student, accept responsibility in all cases for any medication that is lost, stolen or damaged. I confirm that the Teacher has been informed about the nature of the medication(s), known side effects and consequences of missed doses or extra doses and any other pertinent medical information by me.

To the best of my knowledge, the medical information contained in this form is accurate and up to date and I shall inform the Teacher immediately of any changes to such information. I understand the risks involved in the taking of such medications by the student prior to or during the off-site activity or trip in which the student shall be a participant. I further agree to the following:

- a) **in the event of a medical emergency involving the student, the Teacher or his/her designates and any applicable CBE personnel or the Service Provider service provider may seek immediate professional medical assistance and CBE may disclose the information concerning the medications and all other relevant personal information concerning the student to professional medical advisors or paramedics as reasonably required; and**
- b) **if the medications are missing or damaged during the course of the off-site activity or trip, I release the CBE and any off-site service provider and its and their respective personnel, trustees, directors, officers, employees, consultants, agents, volunteers and representatives from any claims, actions, losses, damages, liabilities and costs arising therefrom.**
